**Fringe Activity – LAGs with woodland and forestry priorities in their LDS**

A wall chart, setting out the various tools that are available on the RDPE Network to support LAGs and the forestry sector, was hung at the event. There was a space at the bottom of the chart for LAGs who have woodland and / or forestry priorities in their Local Development Strategies to share their names and the following LAGs did this:-

- Northumberland Uplands LAG
- Making it Local (Blackdown Hills)
- The Brecks
- North Pennine Dales
- Lindsey Action Zone – Jill Makinson-Sanders in particular - [jill@msandes.go.plus.net](mailto:jill@msandes.go.plus.net)
- Fells and Dales – (All)
- Kent Downs and Marshes

The chart highlighted the following tools that are available on the RDPE Network website to support LAGs engage with the forestry sector:
